Subject: Thank you

So happy I will be able to do better flowers for you. Spent some extra time w=th the people at the flower school. Learned so much, how to select, how to p=epare, how to arrange, how to budget, how to prepare my design and know how=many of each flower will go in in advance. (it's like having a recipe) Le=rned how to order straight from Holland for next day delivery for less than=if I buy from the flower market.
