Dear [REDACTED],

I sent you=an mail last November 2sd but didn't have any answer about the point of the=transfer for the payment of my invoice, neither about the point of the work=we have to do on the armchairs of the Paris Dining Room.

As you know, we have several big sofas in here, bought by Ariane for y=u, and we need room for the next week.

So, if you are not going t= do them, just tell me and I will see until next friday with Ariane what we=do with them.

Could you please tell me what is goi=g on ?

With my best regards

Rémy

De= [REDACTED],

I am actually working with my team on what w= could propose to Jeffrey for the library and the dining room in New-York. I=am also looking for the most softer velvet you can imagine.

<=div>

As you know, we have a project about the appartement in Paris and y=u asked me to wait a bit for taking a decision.

<=div>

We have several sofas bought by Ariane de Rothschild and delivered=in our workshop, and they take up to much space to keep them for a long tim=.

Please tell me if we can begin the work or tell what we h=ve to do with these sofas.

We also gave a solution=to re-upholsterer and make more comfortable the dining room armchairs with t=e fabric and embroidered trimmings Ariane choosed.

Could you tell me what is going on with these projects.

Please also find included the invoice for my trip in october an= our banking references for your transfer.

With my best regards.

Rémy
