Hello, Jeffrey! Sorry, just check my mail. Thank you I feel good, don't know what happened before, but it was fun!

I was thinking about..maybe it would be better for me to get master degree in entrepreneurship since I want to have my own business. I will know how can I open and manage my company in future, It'll allowed me to stay in NYC, I will have permission for work and I will know new people, new contacts for my future business as well. That's would be really interesting for me.

Thank you  
Have good night.
