Subject: Driving Distance

Jeffrey,

-Hawthorn Airport to Long Beach Airport is 19 miles estimate 30 min driving, NO traffic.

Flight time quick info:

Paris - Dubia 6+05min, (currently +26kt wind), may be more flight with over flight around Jordan

Paris - Doha 5+45min, (+27kt wind) may be slightly more flight time with over flight of unfriendly countries.

I wasn't sure what destination for "return"

Doha - JFK "return"

Doha - Madrid Spain 6+30min

Madrid - JFK (?) nonstop 7+40min

Madrid - Bangor Maine 7+00min if fuel stop is needed, great circle route passes by, Bangor Maine,.

Bangor - JFK +50min

quick reference tool I use for long flight planning

LEMD - Madrid Spain

KBGR-Bangor Maine

KJFK- NY
