Beyond jealous. Did you get Woody on a horse? Please take a photo.

I am going back to NYC tonight on Koch air to race to the Metropolitan Club for the after-party of opening of "Les Miz"which I saw Wednesday night with four bus loads of high school kids from southern New Jersey hysterically screaming after each song, like a rock concert. Couldn't figure out why I was the oldest person in the audience.

How long are you back in NYC for? Want to see you.

Did you get my Oscar Diary yet? It's great.

Sent it to Soon-Yi. Wrote about Woody and possibly collecting Tonys for "Bullets" ...PLEASE ask Soon-Yi if she read it and/or gave it to Woody.

Are you taking me to April 10th opening night of "Bullets" or should I ask Letty for one seat? Party is at Metropolitan Museum of Art. Letty told me she got her boyfriend to join the museum and pay for it.

Sony Classics put me on Woody's new film. I assume he approved this....or maybe they just told him? They are still working on opening date. May be same as "Blue Jasmin" ..mid-July or early August. Will advise. Have you seen it yet? Period film with Colin Firth...South of France.

It's beautiful in Palm Beach. Snow storm expected in NYC Tuesday and Wednesday.
xoxo Peg

Eva...it was so much fun to see you at Frederick's beauty salon yesterday.

Life at Julia and David Koch's is beyond luxurious...but no tennis players. Next visit south, I will call you.

Thank you for reading my Oscar Diary. Having my assistant sent it to Jeffrey....so he always in the know about my every social/Hollywood move.

Hope to see you and Jeffrey soon.
Jeffrey, when are you back in NYC?

xoxo Peggy
