Subject: The opportunity to learn the business

Hi Jeffrey,

I hope you are well. I have been advised by Tancredi to reach out to you in regards of my visit to NYC. As working with the BCM, I am currently in the process of learning the business and filling my role in building a strong relationships with institutional and private investors.

Following the aforementioned, I am looking forward to spend some time to learn the business and meet the people.

Let me know if that could work for you.

Best regards,
Vaiva
