Ciao [REDACTED]

last night I put together the MOU points discussed and this morning the lawyer could look at them. Unfortunately she (the lawyer) is on vacation until next week, however she made a few modifications and sent me a version that should work for MOU level (not yet the contract but OK for MOU)

Can you please let me know your comments? It should be 100% aligned with what we have discussed but if there is anything that you think we should change to make MR.E happier please let me know. Then when all is perfect for you we should present it together to Mr.E if you agree to it

As you can see the requirement that we should approve for year 1 Paris is ~22% of the entire committment (668K Eur)
