**Subject:** listing

How about a Kickstarter campaign - "A Gulfstream for Gulfstream Girl" ;) I can try to raise the sale price and offer flight hours on the plane as 'rewards'. It would essentially be an investment into putting the plane on a 135 cert with customers having pre-paid for flight time. So people will either buy me the plane :) or at least the campaign will get a lot of attention for your listing. Too silly or should I try it?
