The invite itself came from Jamie Diamond but I think that Erdoes instrumented it.

If easy to postpone it, it might be a good idea. You can see tmr what is the extent of a damage and if it is a lot just blame it on Irene.

I am still in the office (Saturday night 10:30pm) and have few hours more to go. Must focus on this. Let's talk tmr.

It would be helpful if you were able to ascertain, who invited bill to the JPM conferecen.. was it Erdoes. I am thinking of suggestion that the wed meeting be delayed . I fear that as currently structured it will create early confusion and then need repair. . The hurricane will set everytnig in ny back anyway.. ITs too pimportant to do it haf ass
