

To be honest I do not think that my way works that's why I asked for your help. I just started to question your way and your reasons.
I am very sorry I am acting childish, I just don't know how to handle the situation.

I understand.. you need to learn to follow directions. you do not do homework. you try to convince her , though i from the beginning tell you not to. I am paitent with you. but you are like a spoiled child that because she is smart thinks that doing it her way will workk,, its very tedious.
