Hi Jeffrey

I apologise if I am disturbing you. I am asking around for the advice of people who have played a significant role in my life at some point or another for suggestions with regards to how to go about selecting a team to helping me sort out my options for the future based on what seems like a messed up past. I am looking for legal help amongst other forms of advice.

Also could you please let me know if you feel this advice comes at some sort of cost.

Thank you and best regards,

Francis
