Subject: Five Palms Dome - December 10, 2013

Greetings Mr. Epstein,

I spoke with Mr. Samuel Jr. this morning. They are getting ready to begin the framing for your dome.

Due to the size of the structure, they are working on it off-site, not at their workshop, if you had decided to stop by when you are in the area.

The next progress update will be on 12/23/13.

Respectfully, Daphne
