Jeffrey and Lesley,

TSA inspector said I could make modification to current approval, most likely will be turned down, its only 50/50 that TSA will approve additional passengers since under 24 hours until departure, The inspector indicates that I " **shouldn't** " loose my current approval to land at DCA or time slot.

if you can provide the following, I can attempt to resubmit application and see if it gets approved, (I don't think i'll loose my current slot) however, this is our first arrival into DCA under this program.

- Name,
- Birth city
- passport with expiration
- address
- citizenship

pls advise?

thank you
Larry
