Hi, my dear Jeffrey! Thanks for the good start of the day again. I consulted a friend who will help me to unlock the new phone, he is well versed in them, so use the new iPhones, I can later. Now I try to Record Broken phone for repair, because in any case, I need information and numbers from my old phone. They should give me another in return as long as they fix mine, and then I'll be in touch.

I learned about the apartments on 61 streets and one avenue where I'm going to live before. Studio with furniture worth \$ 1900, what do you think it is too expensive and I look for something else or not?

At what time do you want to see me today? I would like to do today Laundry with [REDACTED] she promised to give me a card for washing machines.

Kisses,
Anastasiya.
