Subject: Re: Friday PR

Actually submitting on Monday is going to be more ideal. Let's this pass over the weekend and gets us fresh coverage at 4AM.

Jeffrey - it would be helpful to have a significant story to promote over the next month to help combat this recent discrepancy. Are there any major milestones coming up, investments, etc?

Sincerely,

Tyler

Hi [REDACTED],

Is the PR you submitted today live ? I am not seeing yet and wanted to start promotion.

Sincerely,

Tyler
