Title: Situation Gigi

Dear friends,

I wanted to send you the invitation to Gigi's fundraising auction, to be held next week in London.

This is a cause that is extremely close to my heart, having known Gigi all my life.

It is also an unusual event as it is the artists that have been the driving force in organising this. It will be an incredible evening, where if you do come, you will see the real art world, the one made up by artists and not dealers or fair organisers.

This is the real deal- so please support it in any way you can and help us to help Gigi, plus you may also be able to go home with an amazing artwork!!

I will be sending you, early next week, the auction web site with all the artworks. I will then be in touch to go through any artworks that may interest you. Myself and my team will be there on the night to take any phone bids so wherever you may be in the world we can assist you.

In the meantime please click on the link below for the e-invite.

Thank you for taking the time to look at this extraordinary list of artists involved.

Have a great week end!
Francesca
