

Hi Jeffrey,

I think I've found a 501c3 in US who the Uni of Cumbria can sign an MoU with to collaborate to effectively deliver workshops on alternative currencies and exchange.

I'd prefer Uni of Cumbria leadership on this, but it provides an option for you, if 501c3 is key for you.

I'm still in China. It's 8pm here now.

Thanks, Jem

Hi Jeffrey. I'm in a session here at the World Economic Forum for another hour. Can we chat after that?
