Dear Jeffrey,

You cannot imagine how sorry I am.

I know that you are disappointed but I swear it was not intentional. I feel really bad because I know that you believed in me and now you can't trust me anymore. If I could come back I would never do it again. I am sorry to create problems for you and I will do everything to gain your respect again. I realise only now how bad I acted. I know it is too late to apologise but tell me if I can do something to repair our relationship. I am aware how much time and patience you invested in me and the fact that I disappointed you makes me feel sad.

I hope one day you can trust me again.
