Good Morning

Worth Shepherd From ITC ( [REDACTED] ) was at the Ranch on Friday 9th of November to view scope of work.

Bruce Chavez was also there to explain what he was proposing with phone install.

Steve was to show them proposed road map for trenching etc

We should have something back by the end of this week.

Rich

Bruce Chavez has forwarded info for another company to bid delivery of data to ranch  
I'll have Steve and bruce walk them through next week

Steve is aware of road map for fiber

I'll talk them through install etc

They already have equipment detail

Do I need to forward another Panasonic phone bid?

Regards

Brice
