Five continents down...

Pardon the self reference, but we're feeling particularly... jetsetter-y this week, with awesome offers on five continents (South America, save a samba for us... Antarctica, we await your summer thaw). Our exclusive partnership with Conde Nast Traveller takes you from Spain to Bali to London's famed Claridge's, while our usual array of international offerings includes Budapest, Berlin, Zanzibar, India, and New York at just over £100 per night and Las Vegas for just under. Over/under... we're already gambling the mini-bar money in our heads.

An Art Deco Gem in Prime London

Claridge's, London
Now Live

Iconic bars that have been meeting places for international luminaries for 150 years. Exquisite Art Deco rooms marrying original features with modern amenities. White-gloved service that's charming without being obsequious. To spend a night at Claridge's is to sleep in a cocoon of superlatives. The location is impeccable, too - you're only a block from Oxford and Bond streets, but do your shopping before you arrive, because once you hunker down here, you're unlikely to venture outside.

Glass and Steel Meet the LES

Hotel on Rivington - New York
Now Live

New York's Lower East Side has always been an immigrant neighborhood, offering a chance for reinvention to anyone bold enough to take it. It's a place that changes constantly, where downtown fashion, music and art now collide between old tenements and glass-and-steel towers. In recent years, it's shown up on tourist maps, thanks to the hip property that arrived here first: the Hotel on Rivington.

Beachfront Residences in Tunisia

The Residence Tunis - Tunisia
Starting Today 18/1 at 8pm GMT

Ambitiously modern Tunisia has always been a savvy choice for those who want to combine a Mediterranean beach holiday with a dash of North African exoticism, and with last year's revolution taking place early and swiftly, tourists will notice little difference to how things were. Here, in the capital, the 164 rooms at the beachfront Residence feel more like private flats. But there's also a Thalasso spa, Robert Trent Jones II-designed golf course, six restaurants, indoor and outdoor swimming pools and, of course, a rich landscape of ruins and coastline to explore.

High Design in the Heart of Berlin

The Mandala Hotel - Berlin
Starting Thursday 19/1 at 8pm GMT

A stylish addition to the city, The Mandala is a design hotel that puts guests in the heart of Potsdamer Platz. For all its decadent room amenities and high-design aesthetics, you'd be forgiven for thinking the Mandala was part of a large chain. But this privately owned address within walking distance of the Brandenburg Gate embodies everything that's cutting-edge about Europe's current capital of cool.

Celebrate St. Paddy's in Ireland

St. Patrick's Day in Ireland
Starting Friday 20/1 at 8pm GMT

Until recently, St. Patrick's Day was a bigger celebration for Irish ex-pats in other countries than on their home soil, but this has changed dramatically in the past few years, with residents of the Republic and Northern Ireland embracing La Fheile Padraig, a legal holiday in both countries. But on March 17, Dublin puts on the biggest show of all, and this is where Emerald Custom Tours' six-day guided tour will finish, timed around this grand finale. Before the dramatic conclusion, guests will visit fascinating sights, starting with the Titanic Trail and Cobb, the once bustling seaport where the ill-fated liner sailed from on April 11, 1912.
