Check the flight monitors at the airport. Gate assignments and departure times may change!

Get there early

Please get to the airport at least two hours before your departure time for domestic U.S. flights and three hours before departure time for international flights. Also, your reservation may be cancelled if you are not checked in and at the departure gate at least 15 minutes prior to scheduled departure for domestic flights, 30 minutes for international flights.

Your baggage

You're allowed one carry-on (up to 45 in. and 40 lbs.) and one personal item on board. Please check your bags at least 45 minutes before your scheduled departure. If you're traveling internationally, please check your bags at least 60 minutes before your scheduled departure.

Check your flight status

Check your flight status on usairways.com or text your flight number to TEXTUS (839887). We'll text you real-time flight and gate information.
