Re: Jane Doe v. Epstein, et al.

Dear Mr. Critton:

While your office has indicated that you were in preparation for a trial and have not had a chance to respond to my request with a mutually agreeable date, I have requested Mr. Epstein's deposition be set several times. Enclosed please find my notice unilaterally setting this deposition at my office for December 2, 2008. If this date is inconvenient, please give my office a call with some alternate dates. I will be happy to work with your schedule as long as it is set within the next month or so.

Sincerely,

SPENCER T. KUVIN
