BellSouth should be notified within 60 days after receipt of your BellSouth bill about any billing discrepancy.

To reduce the risk of receiving unauthorized charges on your BellSouth bill as a result of actions by a provider other than BellSouth, you may request a "third party bill block." The "third party bill block" will not block long distance charges. You may obtain this block at no charge by contacting the BellSouth business office. Certain restrictions apply.

| Federal Universal Service Charge Increase |       |        |

The Federal Communications Commission (FCC) recently announced an increase in the factor that determines how much BellSouth contributes to the Federal Universal Service Funds. These funds are designed to help keep telephone rates affordable and to expand telephone services to schools and rural areas. You will see a corresponding increase in the Federal Universal Service monthly charge that recovers this increased payment by BellSouth. The increase will be effective April 1, 2005, and will be reflected on April and May 2005 bills. This charge will not be applied to Lifeline accounts.
