I have attached a list of all the evidence I currently have at MCC. Please let me know if you need me to keep anything. Agent [REDACTED] I spoke to you already and have the Epstein stuff saved. Please let me know by Tuesday if anyone needs anything else saved because I will be working out of MDC Monday, Wednesday and Fridays until I leave for West Virginia and have to get everything in SIS out of this building before I go. I will be at MCC Tuesdays and Thursdays in my office finishing my cases if you guys need anything from me.
