Hey [REDACTED],

Attached is the draft interview of Lt. [REDACTED]. [REDACTED] will be back in the office next week for final edits and approvals.

I talked to evidence – regarding the item you seized that OCME immediate took, you can enter it into Sentinel with everything else and, when you have the 1B numbers, you can bring the chain over for that item to get it barcoded, despite the fact that evidence isn't with you but with OCME. [REDACTED] can walk you through how the signatures on that particular Chain of Custody will be completed (just have the date and time when you turned it over to OCME ready for when you go over to evidence).

I'm on leave next week but please call me with any questions that come up, I'm more than happy to help!!!
