**Hi** [REDACTED],

[REDACTED] received the below threat, and her attorney has asked that FBI conduct a threat assessment. Her plea to the DP is tomorrow. I know that [REDACTED] is on leave, and I asked the case team to also reach out to Det. [REDACTED], although I'm not sure if he's available. Would it be possible to assign someone to do a threat assessment if [REDACTED] cannot do it? Happy to discuss further by phone, and I'm sure the AUSAs would be happy to cut any needed subpoenas. Thanks very much.

[REDACTED],

Good afternoon. At 12:22pm my partner, [REDACTED], received the email below. I interpret the email as a threat against [REDACTED]'s safety. I am requesting that the Government use its resources to thoroughly expeditiously investigate the perceived threat and let us know whether it is credible.

Note that I believe the email went to my partner because when people email us from the link on our website, it goes to my partner and not me. Please give me a call to discuss in further detail. Thank you.

Jason
