Hi [REDACTED],

Do you want an NDO on this? Assuming yes, I'll send this over to the court.

Hi [REDACTED],

[REDACTED] received the below threat, and her attorney has asked that FBI conduct a threat assessment. Her plea to the DP is tomorrow I know that [REDACTED] is on leave, and I asked the case team to also reach out to Det. Gildea, although I'm not sure if he's available. Would it be possible to assign someone to do a threat assessment if Gildea cannot do it? Happy to discuss further by phone, and I'm sure the AUSAs would be happy to cut any needed subpoenas. Thanks very much.

Good afternoon. At 12:22pm my partner, James Seplowitz, received the email below. I interpret the email as a threat against [REDACTED] safety. I am requesting

that the Government use its resources to thoroughly expeditiously investigate the perceived threat and let us know whether it is credible.

Note that I believe the email went to my partner because when people email us from the link on our website, it goes to my partner and not me. Please give me a call to discuss in further detail. Thank you.
