Tomorrow

Sent: August 13, 2019 1:10 PM (UTC-04:00)

Hello all,

Please bring any rdt water, gear, coolers, or bins to either room 340 or the truck later this evening. I know a bunch came back but not sure where it ended up.

We will meet up at 7am to head out and get gas. The cars will be left at the same place you came in.

The front desk will print up receipts for everyone after midnight.

You might want to grab some food for tomorrow. CBP is going to check all pax in Fort Lauderdale. Have your passport or creds handy.

Anything to FedEx, drop off at the pickup either tonight or by 7am tomorrow.

Cheers,

FBI New York
Rapid Deployment Team

Good morning everyone -

Hotel went ahead and made breakfast today anyway. \$8.00 cash to the hotel if you want it.

We are working out logistics for next 24 hours and will push out an all hands email when we have some timelines locked on.

ALCON -

Upon your wheels down in USVI you will be issued rental cars and motorcade as a group to hotel.

Upon arrival at hotel you will be issued room keys - you will handle paperwork with hotel later.

Hotel will provide hot buffet breakfast Monday at 0600 Monday (\$8.00) - there are no other breakfast options and they are coming in especially to handle the team. (Will work on dinner options for Sunday at hotel as well, but no guarantee on that yet).

Brief in main lobby of hotel at 0700.

Vehicles loaded and staged in large parking lot at hotel entrance / main road.

NLT than 0800 motorcade to Red Hook - 1.5 mile drive.

Launch in 2 waves of 25 PAX via CBP and USCG boats to target. (Team 1 + additional), will push out that info at brief. Wave 1 executes and takes main building.

Boats return to Red Hook to deliver wave 2. May be up to an hour before wave 2 steps foot on the target.

RDT has 2 gallons of water per person + gatorade for Monday and will handle lunch. Bring snacks and water bottles as the water is literally in gallon jugs.

Anticipate donning vest/FBI shirt while on boat. Please be as low viz as possible in public. Local media has already reported FBI/NYPD presence on island.

Hotel - Sugar Bay Resort. Be aware this hotel is closed to the public but there are utility workers/contractors staying here who are helping with island recovery.

Left side driving here and phone service is terrible.

Site survey conducted today, observed 5ish landscaping workers and likely a security person staged at the dock - no weapons observed but anticipate staff may be armed.

Safe travels tomorrow. Any issues hit your TL or I up.

Update:

We are continuing with plans to execute the warrant on Monday morning. All options are being discussed at the highest levels and, as always, we need to remain flexible. Everyone should continue with plans to travel according the established schedule UNLESS you hear otherwise.

thanks,

All,

We just received word this morning that Epstein committed suicide in his jail cell last night. It starting a break on the media so I wanted to get something out to the team, decisions are still being made on whether or not we should execute the warrant. Please stand by for further instructions.

[REDACTED],
As per our discussion, New York requests authorization for all those listed in the cc line to use EAN 457356.1 for the Operational Travel to the U.S. Virgin Islands (St. Thomas). The tentative travel period will be from 08/08/2019 to 08/14/2019. We will be renting approximately 13 rental cars.
