Hi everyone - thank you again so much for your assistance with this case. I know you are already so busy with your individual AOR; so the case agent, victims and myself greatly appreciate everything you are doing!

I have sent some individual follow up emails and thought it would be easier to send a group email in case there are any questions. Please let me know if there are any EVAF needs especially with the counseling piece or other needs.

As many of you know the case is still a current open investigation and if any victims ask you for updates please let me know. As you all are aware of the sensitivity of this case; both my PM [REDACTED] and I are being asked for weekly updates from Executive Management. If you have any contact, service referrals each week please send an email to both [REDACTED] and myself.

Please let me know if you have any questions and if I can help you! Thank you again SO much for your assistance!

Have a great weekend!
