[REDACTED] we have shared the 2012 journal with you via the link, there are two PDFs (the entirety of the journal and a “translation” of the journal entries typed up for ease of review). If/when we add additional documents, we will email to let you and [REDACTED] know.

Thanks very much.

Best,  
Meredith

Thanks, Jeanne – I won't be able to use We Transfer, but my paralegal [REDACTED], copied here, can send you a USAfx link to upload. Do you have an account or should we send you an invitation?

Thanks,

[REDACTED]  
Thank you – as of now I likely will be in [REDACTED] with our client but if that changes I will let you know. Otherwise, we can do next week and it would be great if you wanted to come to our office.

I want to send you the Journal from 2012 but it is too large for email – can I send you a file share using We Transfer?

For now, I am attaching some excerpts from that journal here. There are more than 20 people who

wrote in her journal contemporaneously and we have their contact information.

Hi Jeanne – I am tied up today unfortunately but if you have time on Wednesday afternoon, I could meet with you at our Office to see the original notebooks. I reviewed everything you sent and was generally able to follow what was in the excerpts.

Thanks,

Hi [REDACTED]

Following up to see if we could walk through things on a call this week.  
I could bring the original notebooks down this afternoon and go through them with you but I cannot leave them because of the hearing.

The original photo was taken at a distance.

Attached are photos where we try to zoom in – JE at the side of the boat with a young woman with

blond hair (pink arrow pointing to him in first photo).

Our client said that it was Maxwell who took these four photos. She said they stayed overnight just one night. We believe this is summer [REDACTED]

It is clearly Oak Bluffs harbor on MV. Some of the houses in the last 3 photos are still there today and this can be confirmed.
