Great, can we plan for 10:30?

I spoke with the attorney today. I think it would be worth a short conversation with you both. I would be open to interviewing her.

Got it, thanks very much.

I received an email last week from the attorney representing [REDACTED] [REDACTED] (the victim I met with in May per the below). She is now representing a second victim who reported being sexually assaulted by Black in a similar manner at Epstein's Manhattan townhouse in 2001. This victim now lives in [REDACTED]. I am planning to speak to the attorney tomorrow to get better background before discussing with you, but I wanted to let you know that she reached out.

Thanks,

Hi [REDACTED],

Just following up on this. It took a bit to sort out with [REDACTED] and the victim's attorney, but the interview is tentatively scheduled for next Tuesday, 5/18. I will keep you posted.

Thanks,

Subject: Spinoff interview from Maxwell

Hi [REDACTED],

We'd like to ask you to interview a witness that would be a spin-off from the Maxwell case, in order to decide whether we should open an investigation. [REDACTED] can fill you in on the details, and [REDACTED] will be the agent who sits in on the interview. Please let us know if you have any questions or would like to discuss.

Thanks very much!
