Great, it's looking like the best time will be around 2:30 so I'll shoot to come by then. Happy to have an excuse to visit you

No problem! Yes, Leon Black related. Other than a quick meeting at 3:30, I'm open all afternoon, so whenever is good for you is great for me.

Hi, so sorry for my late response. I volunteered to second seat a GC triggerlock that was supposed to be 1 day and of course is not. I am going to be in trial prep for most of the day but can try to pop by, when are you around? Is this about Leon Black?

Hi! Any chance you'd have some time tomorrow afternoon for me to swing by? We had a new potential witness pop up in one of your old PC investigations, and I was hoping to chat about it with you before figuring out how to handle.
