---

[REDACTED],

The original photo was taken at a distance.

Attached are photos where we try to zoom in – JE at the side of the boat with a young woman with blond hair (pink arrow pointing to him in first photo).

Our client is [REDACTED]

[REDACTED]. Our client said that it was Maxwell who took these four photos. She said they stayed overnight just one night. We believe this is summer 2003.

It is clearly Oak Bluffs harbor on MV. Some of the houses in the last 3 photos are still there today and this can be confirmed.
