Thanks, Jeanne. Can we speak briefly this morning if you have a minute? Maybe around 10:30?

[REDACTED]
I wanted to touch base with you as we head into Friday afternoon I likely will not be able to send anything until that is over.

The background that is critical to her case is that it took months for me to build up trust with her (understandably) and it was not until around Thanksgiving when she finally told me and [REDACTED] (her adoptive mother – who she refers to as Mom) that [REDACTED] took all of her directions from [REDACTED] – her biological mother.

As horrifying as this is – everything that had not made sense to me suddenly fell into place.

[REDACTED] had forced [REDACTED] to perform sexual acts with adult men since she was very young. Her younger sister also. Even worse, the paternal grandfather, [REDACTED] (who lived with them) was in on it.

This is why she knew so many of the men's actual last names. [REDACTED] spoke matter of factly to [REDACTED] about what she was expected to do, when and with whom. She was told Leon Black is VIP because he is a special friend of Jeffrey's – and told this to make sure she did what she was supposed to do. She absolutely knew his name before they ever went up to NYC that time.

And she also spoke his name with [REDACTED] and [REDACTED] afterwards – it was not a secret for them.

[REDACTED] and [REDACTED] had gone to gamble on the Jersey shore – [REDACTED] drove her up to NYC after she got so air sick on Dana Chasin (Rockefeller's) small prop plane the last time to Epstein's NYC townhouse. The [REDACTED] drove from NJ to Manhattan and stayed at a hotel near Epstein's – [REDACTED] brought her there and [REDACTED] dressed [REDACTED] up "special" for Black and even used ribbons in her hair to match her skirt.

When [REDACTED] had a meltdown after Leon used large adult sex toys in her anus and she was bleeding and wanted to see a doctor – the reaction from Epstein, Maxwell and her parents was one of anger with her. This is why in her scrapbook for Year 16 – at page 15, she says "I ruined their weekend"). [REDACTED] scolded [REDACTED] for ruining their NYC weekend and was concerned about not getting money. Her own parents are the ones who drove her from NYC back to Woodbridge Va.

And it was [REDACTED] who brought [REDACTED] (age 15) and her sister (then 12) down to Florida where they each met Maxwell in a hotel room, separately. Once Maxwell gave approval for [REDACTED], that is when she was sent to live at [REDACTED] house (because [REDACTED] told her if you get caught, [REDACTED] is going down, not me). Then she started to be sent to Epstein's PB residence, etc.

There is more to the background re the [REDACTED] and her grandfather, but as for Leon, I wanted you to know this.

[REDACTED] knew Dana Chasin and that is how [REDACTED] was flown to NYC the first time (where she had sex with Larry Summers). At a later date, [REDACTED] flew with [REDACTED] and Dana Chasin somewhere else, I am forgetting where right this moment.

Hopefully this gives you the same insight that it gave to me.

Jeanne
