Jeanne,

I hope you are well. Jane passed along your email below to me. Our Civil Rights Unit at SDNY is now handling all trafficking matters. Let me know if you have a moment to discuss this week.

Thanks very much,

In case you have not heard it has been discovered that Leon Black paid 62.5 million to USVI - and this does not include payments of money to individual women - it's outrageous that criminal charges have not been brought against him. I've heard one lawyer represents ten women that he sexually assaulted.

I hope that your office is going to take a hard look based on this new information.
