Sorry to press. I know you haven't had this long. The AML folks at [REDACTED] are anxious to close these accounts unless the government requests that we not do so, and they asked me to check in. If there's someone on the team you'd rather I harass, let me know.

Thanks.

Nic

Thanks very much, Nic. I will discuss with the team and I or one of them will get back to you.

As I mentioned last night, attached is a SAR that [REDACTED] filed today in connection with persons associated with Jeffrey Epstein. The bank would like to close all of the accounts of the entities named in the SAR as soon as possible. (The current balance on those accounts is approximately \$30 million.) Before doing so, the bank wanted to make your office aware of these accounts in case the government intends to take any action.

Please advise once you've had a chance to consider.

Many thanks.

Nic
